

Food Chains Recording Template

Name: _____

Date: _____

Class: _____

Habitat

Forest

Grassland

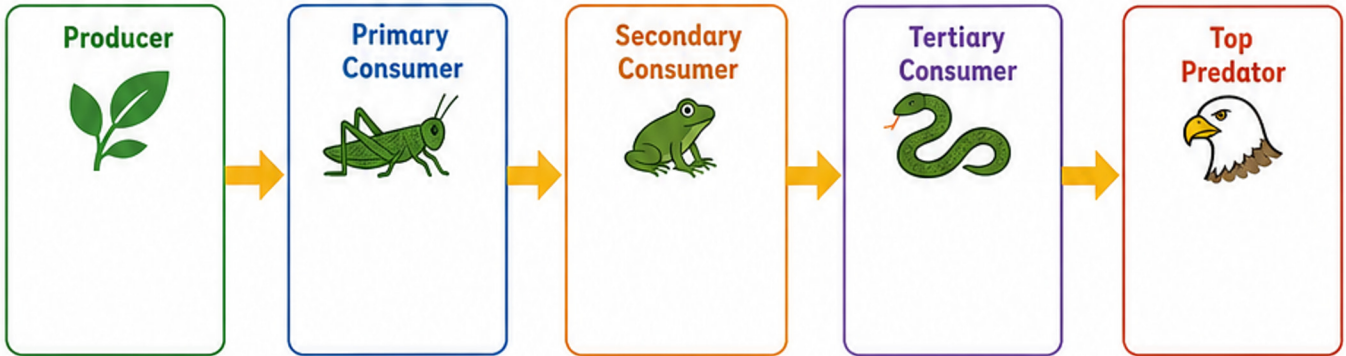

Pond

Ocean

Other: _____

1 Build a Food Chain

Draw or write the organisms in order.

Food Chain (write using arrows): _____

2 Record Information

	Organism	Type (Producer / Consumer)	What it Eats (Food Source)	Energy Source	Role in the Food Chain
1					
2					
3					
4					
5					

3 Energy Flow

Draw arrows to show the flow of energy.

What happens to energy as it moves along the food chain?

4 Questions

What would happen if the producer disappeared?

What would happen if one organism disappeared?

How could humans affect this food chain?

5 Extension (Optional)

Can you add another organism to make the food chain longer? Draw or write it below.
