

PARAGRAPH

PLANNING PROMPT CARDS

✂

- 1 TOPIC FOCUS**

What is the main idea or question your paragraph will address?
- 2 KEY INFORMATION**

What important information, data or details will you include?
- 3 DATA RECORDING**

What data have you collected or recorded?
- 4 INTERPRET THE DATA**

What patterns, trends or relationships do you notice in the data?
- 5 MATHEMATICAL REPRESENTATION**

 $y = mx + b$

How will you represent your maths? (e.g. table, graph, equation, diagram)
- 6 METHODS OR STRATEGIES**

What methods or strategies did you use to find or organise the data?
- 7 ANALYSE AND EXPLAIN**

What does the data show? Why does it happen?
- 8 EVIDENCE AND EXAMPLES**

What evidence or examples from your data support your ideas?
- 9 CONCLUSION**

What is your main conclusion or answer based on the data?
- 10 IMPACT OR SIGNIFICANCE**

Why is this information important? Who might it impact?
- 11 LINK TO THE QUESTION**

How does your information answer the main question?
- 12 CHECK AND IMPROVE**

Have you checked your work? What could you improve?
