# LANDFORMS INQUIRY ORGANISER

**BIG QUESTION:** How are landforms formed and how do they change over time?

## 1 FOCUS

What do I want to find out?

I wonder...

---

---

---

## 2 PREDICT

What do I think will happen?

I predict...

---

---

---

## 3 PLAN

How will I find out?

I will...

- observe
- measure
- research
- gather data
- other: \_\_\_\_\_

## 4 INVESTIGATE

Carry out your plan and record your evidence.

My Observations

My Data

What I measured / found	Value / Description	Units / Details

## 5 EXPLAIN

What does my evidence show?

My explanation...

---

---

---

## 6 REFLECT

What have I learned?

I learned...

---

---

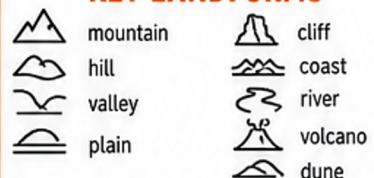

---

## 7 APPLY

Where might this landform be found? \_\_\_\_\_

How does this understanding help us? \_\_\_\_\_

### KEY LANDFORMS

➔ GOOD INQUIRERS ASK QUESTIONS, GATHER EVIDENCE AND SHARE THEIR IDEAS.
