

# ADDITION STRATEGIES

## STRATEGY MAT

Name: \_\_\_\_\_

Date: \_\_\_\_\_

Maths Goal: \_\_\_\_\_

### 1 COUNT ALL

Count everything.

### 2 MAKE A TEN

Make a ten, then add the rest.

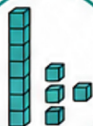

### 3 COUNT ON

Start with the larger number.  
Count on the smaller number.

### 4 PART-PART-WHOLE

Break a number into parts  
that are easier to add.

### 5 PLACE VALUE

Add tens, then ones.

### 6 DISTRIBUTIVE PROPERTY

Break one number into parts  
and add.

### 7 COMPENSATE

Adjust one number to make  
adding easier.
