

# Twenty-frame Mats

## A twenty-frame

A grid of 20 squares  
in 2 rows of 10.

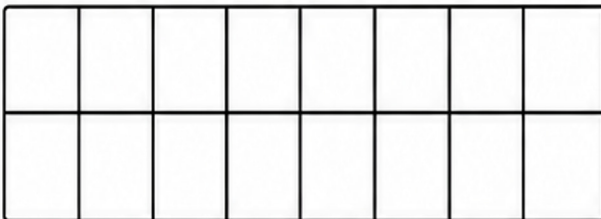

Use it to:

- count
- make numbers
- see groups of 10

## 1. Build it

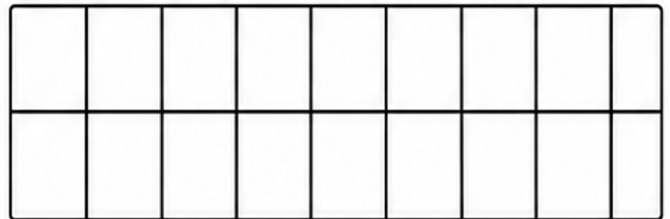

Use counters to show a number.

How many?

## 2. Make it

Show the number in a different way.

How many?

## 3. Write it

Write the number shown.

Write it as a number sentence.

 +  = 

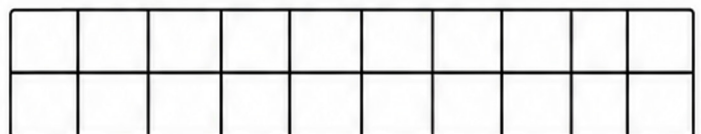

## 4. Think about it

How did you see the number?

---

---

Another way to show it:
