

RETRIEVAL PRACTICE POSTER

Remember more. Understand better. Learn for life.

THE RETRIEVAL PROCESS

1

THINK

Stop and think. What do you already know?

2

RETRIEVE

Write or say everything you can remember.

3

CHECK

Check your answers with your notes, text or teacher.

4

CORRECT & IMPROVE

Fix mistakes and add any missing information.

5

REPEAT

Return to the topic regularly to remember it long term.
