

My Body

Amazing parts that help me think, move, and grow!

BRAIN

My brain helps me think, learn, and remember.

LUNGS

My lungs help me breathe fresh air.

BONES

My bones support my body and keep me strong.

HEART

My heart pumps blood.

STOMACH

My stomach helps break down food.

MUSCLES

My muscles help me move, run, and play.

I take care of my body every day!
