

# Number Line

A number line helps us order numbers and see how they relate to each other.

0 to 20

Smaller numbers  
are on the left.

Larger numbers  
are on the right.

-10 to 10

Negative numbers  
are on the left.

Positive numbers  
are on the right.

Moving right, the numbers get bigger.  
Moving left, the numbers get smaller.
